

Support Services for Staff/ Students with Disabilities

Woxsen University is dedicated to fostering an inclusive environment where students with disabilities can thrive. We offer various targeted services and accommodations to ensure equal opportunities for academic and personal success.

Key Services:

1. **Mentoring Programs:** Personalized guidance and academic support for students with disabilities.
2. **Academic Accommodations:** Flexible deadlines, extended exam durations, and customized coursework.
3. **Personal Assistance:** Scribes, interpreters, and note-takers to assist with daily academic needs.
4. **Accessible Learning Materials:** Availability of braille, large print, and screen-reader-compatible resources.
5. **Mental Health Support:** Tailored counseling to address academic stress and personal challenges.

Infrastructure & Accessibility:

- Wheelchair ramps, elevators, and accessible restrooms across all Woxsen University facilities.
- Designated parking and adaptive transportation services for students with mobility challenges.
- Assistive technologies like screen readers, speech-to-text tools, and specialized software labs equipped with adaptive software.

Specialized Support Teams:

- Trained staff and peer volunteers provide day-to-day support.
- Career advisors at Woxsen University assist students with disabilities in preparing for internships, placements, and future opportunities.

Eligibility & Registration:

- Services are accessible through simple online registration via Woxsen University's dedicated Disability Support Portal.
- Orientation sessions are conducted to inform students about available services and how to access them.

Awareness Initiatives:

- Inclusivity campaigns and training workshops are regularly organized for staff and faculty to build awareness and sensitivity.
- Programs are aimed at fostering a culture of empathy and support throughout the university community.

Commitment to Standards:

- Full compliance with national and international disability regulations, ensuring that all facilities and programs meet accessibility standards.
- Institutional policies are in place to guarantee accessibility and inclusivity in all aspects of education and campus life.

Woxsen University continuously strives to create a supportive academic environment where students with disabilities can excel. Through these initiatives, we aim to empower them to achieve their full potential and contribute meaningfully to society.
