Jumpstart your career with Woxsen's evolved Bachelor of Commerce Programs

IS IT RIGHT FOR ME?

If you are all of these and more...

- You are interested in number-crunching and want to master all the facets of business finance and accounting from strategy to execution.
- You're curious, open-minded, engaged, and adaptable. You're keen to help lead organization to greater success.
- You want to build your career in management.
- You dream of becoming a star entrepreneur.

Eligibility

Completed 12th Grade or 10+2 in any discipline, from a recognized board, with minimum 50% aggregate.

Selection Process

The Admission process at Woxsen is quite structured and comprehensive since every student is evaluated basis their Composite Score, as mentioned below.

STEP 1: Appear for the Online Entrance Test – WAT (Woxsen Aptitude Test)

STEP 2: Schedule and complete your Psychometric Test

STEP 3: Tell us, who you are in the Personal Interview Round

Learning Outcome

- Gain a thorough grounding in fundamentals of strategic financial management, including financial accounting, investments, and corporate finance.
- Exhibit critical analysis to analyse and interpret information to make informed decisions.
- Demonstrate ability to integrate knowledge, skills & ability from multidisciplinary subject areas.
- Demonstrate progressive learning of various tax issues and tax reforms for both direct and indirect taxes.
- Learn relevant financial accounting skills, applying both quantitative and qualitative knowledge to make apt decisions in business.
- Using skills in mathematics, statistics and operational research to devise factual and practical solutions to economic issues.
- Develop that strategic intent to convert them into robust business models.
- Demonstrate honed skills in analytical thinking, technical analysis, data mining and strategic accounting.

B.Com (Hons.) – General

Bachelor of Commerce (Hons.) degree is among the most sought-after programs of commerce stream of students. This program is designed to provide students with a multi-disciplinary perspective towards trade, commerce, finance and technological integration of businesses.

B.Com (Hons.) focuses on enabling students to become successful value creators and difference-makers, be it in a start-up, aspiring venture, or in an established organization. Aside from covering the entire spectrum of various subjects B. Com (Hons.) allows you to also specialize in a subject of your choice.

An immersive education program, the Bachelor of Commerce at Woxsen University is a business degree for committed, motivated learners: individuals who want to enhance their career prospects and professional impact. This three-year undergraduate program aims at preparing you for a successful career in business or management enabling you to contribute constructively to global economy.

B.Com (Hons.) – Accounting, Audit & Taxation

Bachelor of Commerce in Accounting, Audit and Taxation is a three-year, full time, undergraduate program at WoU. This program empowers students in gaining an overview of the Indian tax regime, fundamentals and principles of accounting, taxation, VAT system, calculation of GST and its various brackets.

With the increase in the number of taxes and the dearth of experts this program deems to set forth a platform for students who are inclined to pursue their career in Accounting, Audit or Taxation.

The overall course structure is thus designed with the aim of letting students gain the utmost knowledge of the field and apply it in their career. B. Com in Accounting, Finance and Taxation program builds an added advantage for students who can select their niche areas in financial sectors, taxation, international and national tax, Indian economy and much more.

Program Highlights

- Right mix of theory & practical concepts from top notch faculty
- Internships | Case Studies | Group Assignments
- Opportunity to register for the Trade Tower Program
- Woxsen Leadership Series | #Unicorn Calling | My First Billion Series

In addition to our legacy & expertise,
what makes us different is our emphasis
on real-world knowledge

WHAT MAKES US DIFFERENT?

Get your business off the ground at the Woxsen Trade Tower

'Woxsen Trade Tower' is a co-operative working space that provides hands-on resources to the students to test and develop their ideas. Students will have access to unique resources where they will get an opportunity to practice the various stages of setting up a venture- from planning and designing to prototyping and funding.

ENTREPRENEURIAL MINDSET AND SKILL DEVELOPMENT

Woxsen Trade Tower is a unique concept that integrates resources for design, collaboration and mentorship from faculty and industry experts. The Trade Towers also allows students to interact with potential investors. Those ideas which gain the approval stand a chance to get seed-funded through the Woxsen Fund.

Develop a complete business plan

Student Clubs

Woxsen School of Business is intense & challenging in its academic rigour, but dedicating time to develop personally & form lasting friendships enriches student life. 10+ Clubs not only facilitate professional and personal growth, but also improve student learning outcomes. From domain specific clubs to cultural, music & sports club, channelize diverse interests & talents through this platform.

Recreation

To encourage an active lifestyle, good health & abundant social opportunities among students, Woxsen houses a gamut of activities. From sports facilities, swimming pool to fitness & spa center, students can unwind, pursue their favourite sport, stay fit or pick a new interest!

Campus Infrastructure

Woxsen's ultra-modern campus sits on a sprawling 200 acre landscape, in a serene and pollution free environment, located in Hyderabad. Adorned with thoughtfully built indoor & outdoor spaces, the campus has been designed by renowned architects specialized in educational architecture.

The award winning residential campus perfectly balances learning facilities, collaborative spaces and comfortable accommodation. Elaborate lecture halls, labs, AI & Robotics Studio and an extensive library foster effective learning. The dwelling space with fully-furnished hostels is strategically located, close to the cafeteria, swimming pool, multi-cuisine restaurant and the Fitness/spa center, it's just a 10 min walk from the academic building.

DEAN'S MESSAGE

The world of business is witnessing unprecedented change at a pace never experienced in the past. India's share of global GDP in dollar terms is projected to increase to 13% in 2050 from 2% in 2009. This makes India the most rapidly growing economies in the world. So, the BFSI sector in India will need an additional 1.6 million skilled workforce by 2022 as per estimates by the National Skill Development Corporation (NSDC).

Accounting & Finance is a demanding career, many companies require the help of an accountant to run their businesses, hence, creating high chances of being employed. Knowledge of accountancy and the skills learnt, enable individuals to contribute in the growth of a nation's economy. Whereas Taxation is a set of laws, regulations and methods of establishing taxes which was and will always be present in the life of every individual and every company because of the existence of the State run tasks and functions.

In response to this reality, we at Woxsen have created a faculty team which has a powerful mix of faculty equipped with knowledge of the most recent developments in each field and faculty with several years of industry experience. Without exception all faculty members are premier school graduates.

Woxsen's learning experience is transformative. The combination of an elite business education with a super charged competitive environment found in top schools is the foundation of the Woxsen's learning ecosystem. Students pursue and discover their passions side by side with peers and professors in the classroom, fellow students in clubs and organizations, teammates on our athletic fields, and alumni mentors in the working world. Add in the drive, curiosity, and instinct to disrupt that is inherent in our culture, the Woxsen experience stands apart.

With a rich legacy of transforming graduates into achievers, we have embarked on a mission to nurture raw minds who are looking to graduate in Commerce and give them a launch pad to accomplish their aspirations.

Dr. Raul V. Rodriguez

Dean - School of Business
